

The Citizen Advisory Committee and the Committee for Citizen Involvement invite you to attend a Series of

# Town Halls

regarding  
**The Jacksonville Development Code update**

Mark your Calendars!  
**October 19 @ 5:30pm**  
**November 9 @ 600pm**  
**December 14 @ 5:30pm**

**New City Hall Assembly Room, 206 North Fifth Street**

Please join the Citizen Advisory Committee (CAC) and members of the Committee for Citizen Involvement (CCI) for a series of town-hall events for an in-depth review of the CAC's work so far to review and update the Jacksonville Development Code. This will be an opportunity for you to ask questions and provide feedback.

**October 19:** Introduction to the Project. The discussion will begin with an overview of the revised "permitted use" table. Staff will highlight key discussion points such as drive through services, home occupations, and short-term vacation rentals.

**November 9:** Design and Site Development Standards: This session will focus on site development requirements. Topics will include setbacks, landscape, parking, fence, solar, and sign standards.

**December 14:** Environmental & Constrained Lands: This session will focus on environmental requirements, to include riparian and wetland requirements, as well as tree removal requirements, and the Urban Wildland Interface.

This is the first series of town hall events. The CCI in coordination with the CAC will continue to host sessions as we move forward with the revision process. You can see more information about the project by visiting [jacksonvillecodeupdate.com](http://jacksonvillecodeupdate.com)
