Solar Setbacks Standards: A Solar Setback Calculation presentation was given by Planner James Schireman and discussion regarding the calculations lasted the entire meeting, so time did not allow for a walking tour.

The Next CAC meeting will be June 20th, 2023 @ 2:30PM when James Schireman will bring back the final draft of the Solar Standards. If time and weather allow, we will take a walking tour of the downtown historic district on June 20th. We will cancel the CAC meeting on July 4th due to the holiday, and meet July 11th and 25th.

Adjourn: 4:00 pm

Beverly Smith, Chair of the CAC
