Article 3: Landscape Standards, Public Utilities, and Signs

Most of the CAC's discussion today was on the tree removal process, and the size of trees that could be exempt from the process. The replacement requirement when removing. To remove the language about a heritage tree.

- 3.6.030 Public Use Areas
- Sanitary Sewer and water service improvements
- Storm Drainage/Surface water management Facilities
- Sign Regulations and how careful we need to be about regulating signs and content. We can only regulate the types of signs.

We will cover three dimensional signs next meeting.
